

## Dress Code (Policy 5010)

The KTEC Board believes a dress code is important to foster a professional learning environment. To encourage a safe and productive success, all KTEC High students shall follow the dress code as outlined in the Student Handbook. Failure to comply will result in disciplinary action as outlined in the Student Code of Conduct. Exceptions to this policy will be at the discretion of the principal/designee and must be submitted by the parent/guardian for consideration and documentation.
